

Wave up High Flag
Pang Houa Vang

I see you wave so high
peaceful and quite.
When you move
you look amazing.

Your colors on you
make me feel glad.
Red, white and blue
shine to our earth.
Everyone appreciates you
being our flag.

Each of the 50 states
present
each state in America.
You gave us freedom.

Everyday,
I come to see you and respect you.
We always pledge of Allegiance,
to you everyday.
